When touring living environments of the past 200 years, there are lots of topics to consider: lifestyles, heating, cleaning, living together, rituals... everyday life that is anything but ordinary. Surprising leaps in time, authentic living spaces, migration history(s) and special exhibitions guarantee an interesting experience. And you have lots of chances to get involved: in the photo studio, on the Lurchi carousel, or on a puzzle quest at castle Waldenbuch. The Museum of Everyday Culture provides plenty of opportunities for fun, nostalgia, and reflection.
